

ZERO WASTE ADVISORY COMMISSION MEETING 10-12-2016

ITEM 6 – FUTURE AGENDA ITEMS

Gerry Acuna: All right, I guess the last item of business here, Guys, is future agenda items, and I think obviously the dumpster contract is one that's going to be coming before us.

Bob Gedert: I would note that dumpster contract is a renewal of a past contract. It's not, it does not include C&D material or other commercial items that Mr. Gregory has referred to. We will clarify that next meeting.

Gerry Acuna: Okay so that will be on the Agenda...

Bob Gedert: There will be a full clarification of the intent of that contract.

Joshua Blaine: Well speaking of C&D, I don't think we ever gave a report on our first C&D Committee meeting, did we?

Amanda Masino: I don't think so.

Gerry Acuna: We can probably put that on the Agenda also please.

Joshua Blaine: We do have a second meeting in December so if it could be in December it might be a little more useful.

Gerry Acuna: I don't think we have a meeting scheduled in December.

Joshua Blaine: No? Okay.

Bob Gedert: We have a November meeting and then a January meeting.

Gerry Acuna: Correct. Now future Agenda items, the dumpster contract, we've got that on there. Let's see. What was the status on the department audit or the potential...?

Bob Gedert: Yeah, the Office of Performance Management. And I'll try to get an update by January but it's too soon for October or November. They're just beginning their work.

Heather-Nicole Hoffman: As you suggested I would like to add the parks recycling issue to our January meeting.

Gerry Acuna: Okay.

Stacy Savage: And the URO subcommittee will be meeting in January, or, excuse me, November, but it will be after the full staff presentation of the November ZWAC meeting so we'll have an update on what we discussed in January.

Gerry Acuna: Okay. So that's future.

Stacy Savage: Future future.

Gerry Acuna: Any other items Guys? Again if you think of something just submit it and we'll ship her off. Thank you all. Entertain a motion for adjournment.

Amanda Masino: I move to adjourn.

Joshua Blaine: I second.

Gerry Acuna: No discussion, all those in favor raise your hand. Thank you.

Bob Gedert: And I do thank the Commission for their patience on this difficult contract. Thank you.

Gerry Acuna: Thank you, Bob.
