

MEMORANDUM

TO: Mayor and City Council

CC: Elaine Hart, Interim City Manager
Robert Goode, P.E., Assistant City Manager

FROM: Sam Angoori, P.E., Interim Director
Austin Resource Recovery

DATE: February 17, 2017

SUBJECT: **Correction to Previous Memo from Austin Resource Recovery**

The purpose of this memo is to provide a correction to my memo dated February 13, 2017. The following statement was noted in that memo:

- Staff has been informed by some haulers that Texas Disposal Systems (TDS) is not willing to allow certain competitors to dispose at their facility and that TDS has the authority to prohibit use of their facility by competitors.

Adam Gregory of TDS, in an email dated February 15, 2017, corrected my statement and clarified that "The TDS facility is open to the public and to all haulers who choose to haul acceptable material to our site."
