2016 Year End Review: Austin

3,000,000+ Residents

2016 was a year of rapid growth for Simple Recycling and our partner municipalities. With proven success since launch, Simple Recycling has grown to offer curbside recycling service to over 3 million residents across Ohio, Michigan, Texas and Indiana.

The results are in and we are proud of our collective success and appreciative of the partnerships we have built. It is with great thanks and admiration that we present the 2016 Simple Recycling Curbside Clothing Recycling Results.

Sincerely, The Simple Recycling Team

2016 –

Progress

THE BENEFITS

Curbside Recycling for Clothing & Housewares follows existing recycling collection schedule

Offered at ZERO cost to the city and residents

Without a curbside program, 85% of clothing and usable home goods get thrown into a landfill. That's 20 Billion pounds!

2016 Year End Review: 2016 Pace & Progress

2016 Growth

2016 Pace – Explosive Growth, Epic Results

Simple Recycling has been validated as the largest, most effective zero waste initiative a city can implement for zero cost and with zero ongoing operational resources. We are focused on expanding our offerings to your surrounding local communities in the Michigan, Ohio, Indiana and Texas regions and we need your help. A referral is the highest compliment you can provide, so please, Tell Your Friends!

2017 Progress -

Within your city or town, we can continue to increase our diversion rates, reduce environmental impact and maintain fiscal responsibility through effective education and consistent reinforcement.

We encourage you to consider including information about the Simple Recycling Curbside Recycling program in your community outreach efforts.

Please let us know how we can better provide you with the information and resources you need to educate your residents on the program and it's benefits.

We sincerely appreciate your partnership, participation and support as we drive towards zero waste and sustainability within our communities.

Wishing you a happy and healthy 2017,

The Simple Recycling Team
